

# Artur Morza

## FRONT-END DEVELOPER

### SUMMARY

I'm looking for a Front-end developer position (Javascript/React). I'm a beginner developer, I would like to become a part of a progressive team, to resolutely develop my technical skills and knowledge by implementing complex projects and learning new technologies in a long term. I'm ready to consider remote work or full-time employment. I have experience in creating my own non-commercial projects using HTML5, CSS3 | SCSS | Adaptive and Responsive Design, JavaScript, React.js, Node.js.
